BECOMING A LIFEGUARD IS NOT JUST ABOUT GUARDING A POOL OR WATER PARK.

Lifeguards are lifesaving professionals who have a great impact in strengthening their communities. They protect life, explain the importance of water safety, and support healthy living through recreation.

The Greater Wichita YMCA is now hiring lifeguards for locations (indoor pools and outdoor water parks). Part-time and multi-shift positions are available. Benefits include flexible hours and free association-wide Y membership.

Need certification? We'll train you and, after 350 hours of lifeguarding at our Y, staff are eligible for a full reimbursement of course fees.

Contact Lori Spencer (316.776.8821) or speak with the Aquatics Director / Coordinator at any Greater Wichita YMCA branch location for job requirements or more courses details. Register for training over the phone or in person at any Greater Wichita YMCA branch location. (Pre-approval required for \$175 fee.)
