With the Y, you can sit back and have peace of mind knowing your kids are having the time of their lives in an environment that puts their health and safety first and is licensed by the Kansas Department of Health and Environment (KDHE).

This summer is designed by you. Our variety of camp types, locations and themes allows you to fill your kids' summer with exploration, discovery, adventure and friendship! Y programs are built by educators and experts, and our trained staff ensures every camper has so much fun they don't even notice they are learning and growing in the process.
